4 No special reasons are put forth for creating two first grade Revenue Inspectors' posts in the Mysore City Municipality except for the absorption and transfer of the two graduate Revenue Inspectors who are drawing the pay of the first grade Revenue Inspector viz; Rs 80-5-90-6-150 as personal to them. The revision of the pay of the posts of Revenue Inspectors from Rs 40-2-50-3-80 and Rs 50-3-80-4-100 on a par with the scale obtaining in Government Departments, appear to deserve favourable consideration. As the posts of Hackney Carriage Inspector and Market Sergeant carry the same rates of pay as the Revenue Inspectors at present, the pay of these posts also may perhaps be revised to Rs 50-3-80-4-100.

But no special grounds are forthcoming for the revision of the pay of the posts referred to in Sl Nos 4 to 7 viz Octroi Inspectors, Water Revenue Inspector, Toll Inspector and Invoice Inspector from Rs 40-2-50 to Rs 50-3-80-4-100

the maximum of the revised scale to double that of the present scale The proposal, for the revision of the pay of the posts on such a lavish scale simply on the ground that transfers could be effected between these posts and the Revenue Inspector's posts, is not financially acceptable If any revision is considered necessary in these cases also, it is for the consideration of Government to sanction any other suitable scale which they might deem fit

As provision has been made in the budget estimates of Mysore City Municipality for 1954-55 for the proposed revision, the revision may be given effect to from 1-4-195

The proposition statement is verified and the extra cost involved on the proposition, is found to be Rs.3922 2/ per annum

(Through the President)

Sir,

Subject - Revision of the scales pay of the Revenue Inspectors and other Sections/of the Municipality.

During the general revision of the pay of the several non-gazetted staff of this Municipality, the scale of pay of the two graduate Revenue Inspectors working here was fixed at 60-5-90-6-150 as personal to them while that of the remaining non-graduate Revenue Inspectors and other Inspectors of the collection Section was fixed at Rs 40-2-50-3-80 in all cases excepting the Water Revenue, Invoice and Toll Inspectors, whose scale pay was limited to Rs. 40-2-50. The scale of pay of Revenue Inspectors in the Government - Revenue Departments is 60-5-90-6-150 for the First grade and 50-3-80-4-100 for the II grade as per Government order No R 2238-40/L R 143-48-2 dated 9-9-1948. Experience has shown that on account of the difference in the scale pay of the several collection staff in this Municipality itself and that prevailing in the Revenue Department, it has not been possible to effect transfers within the Municipality or between the Government departments and Municipality.

The question of making the scale pay of all the collection staff uniform so as to allow of free interchange and on a par with that obtaining in the Revenue Department engaged the attention of the Council for a long time. The scale pay of the lower collection staff such as Bill Collectors, Assistant Sergeants of markets

P.T.O.

markets, Octroi Managers has been made uniform already vide several Government orders quoted in the proposition statement But in the case of the higher ie., II Dn Collection staff they represented that on account of the fact that their scale pay is not the same as in the case of similar officials in the Revenue Department, their interests are prejudiced as transfers from and to the Municipality of these officials is rendered difficult The Council felt that the differences between the scale pay of this staff and of Government prejudiced not only the incumbents but also created problems for the Municipality whenever they felt the necessity of transferring an official outside the Municipality. In the case of two graduate Revenue Inspectors also, they felt that their places have to be treated as two first grade places, instead of being treated as supernumerary against II Division posts for similar reasons.

The entire question was therefore considered by the Council at their meeting held on 26-12-1953 in detail and it was resolved that two of the Revenue Inspectors posts in the Municipality be converted into I Grade and the present incumbents Sri K S. Chandraselharaiah and Sri K.R. Krishnappa absorbed as Ist Division Revenue Inspectors and that the scale pay of the other Revenue Inspectors and other inspectors be revised as below with effect from 1-1-1947
